# WELCOME

***Shalom!***

*We are honored and blessed to have an opportunity to gather today to discuss the mission and vision of the apologetics ministry the Lord called us to in 2020. First and foremost, we are giving thanks to God for His guidance and the boldness He has given us to stand up for His Word. We would also like to extend our gratitude to all volunteers who have contributed their time, finances, and skills to the development of the **International Biblical Apologetics Association** (IBAA). In this report, we would like to highlight some of the milestones and accomplishments of IBAA. We fervently pray that the Lord be glorified through this ministry. We also encourage you to partner with us as the Holy Spirit leads you.*

***Yours in Christ,***

*‘Then I said, “I will not make mention of Him, nor speak anymore in His name.”  
But His word was in my heart like a burning fire shut up in my bones;  
I was weary of holding it back, and I could not’  
(Jeremiah 20:9)*

# HISTORY

In recent decades, there has been a dangerous rise in a variety of false teachings that have been affecting evangelical churches and Messianic communities, thus leading believers away from the biblical doctrine and undermining the unity among believers, as well as their relationship with God. On the contrary, the Bible commands us to be “united in the same mind and the same judgment” (1 Cor. 1:10). However, avoiding divisions should not come at the expense of biblical doctrine, as commonly happens in contemporary churches. In fact, the Lord calls us ‘to contend earnestly for the faith which was once for all delivered to the saints’ (Jude 1:3) and to expose the works of darkness (Ephesians 5:11). Thus, we are reminded in Scripture that unity and peace in the body of Christ are achieved only in obedient adherence to the biblical truth as laid out in the Old and New Testaments.

In April 2020, the Lord called a number of ministers from various evangelical and Messianic communities to create the International Apologetics Declaration. In July 2020, the first version of the Declaration was posted on social media which triggered a strong pushback in Christian and Messianic circles. The bulk of opposition focused on the following topics: the role of Israel in the end-times, the divinity of Christ and the Holy Spirit, the authority of Scriptures, and Kabbalah. Some of the remarks made were frankly antisemitic. At the same time, the resistance to the Declaration sparked a genuine interest in our ministry. We could clearly see the gap among believers God wanted us to fill through our ministry.

To this date, the Declaration has been translated into 16 languages:

**Arabic**  
**Bulgarian**  
**Czech**  
**English**  
**Finnish**  
**French**  
**Georgian**  
**German**  
**Hebrew**  
**Hindi**  
**Kirghiz**  
**Polish**  
**Russian**

*“Dear Brother Michael Karpovetzki,  
 I am very glad to meet you! The evangelism course is a  
 very useful resource. I enjoy listening to it and I am  
 discovering lots of useful things. Your Jewish biblical  
 approach allows to expand my knowledge of the biblical  
 scriptures. In a nutshell, EVERYTHING is perfect and  
 useful! The important thing is that you do not force your  
 interpretation but allow to think independently. At the  
 same time, there is no need to disagree.  
 God bless you with more opportunities to keep running  
 this important teaching.  
 In brotherly love, Grigoriy Komendant”*
