A Statement Against Antisemitism and a Call to Stand for Israel

The International Biblical Apologetics Association (IBAA) calls on Christian churches to raise their voices against antisemitism (hostility toward and demonization of Jewish people). Bible prophecy warns that a terrible surge of antisemitism will occur in the future, provoking unprecedented levels of persecution against Jews (Zechariah 14:2–3; Revelation 12:1–6). As this time is fast approaching, every Christ follower should be ready and willing to intercede for the Jewish people. So we say to our Christian brethren: Raise your voice for Israel! Raise your voice for the Jews! God still has a plan for ethnic Israel, and we must proclaim this biblical truth to the nations.

The IBAA believes God is actively working with Israel and the Church. The Jews are still God's chosen people. At the end of the age, the Jewish people will recognize the crucified Yeshua (Jesus) as their true Messiah. God will save them and accept them into a new covenantal relationship (Jeremiah 31:1; Zechariah 12:10; 13:1; Romans 11:11–12, 26–29).

The IBAA calls on all Christians to refute and denounce antisemitism, racism, and racial discrimination; to pray for the salvation of Israel and peace in Jerusalem (Romans 10:1; Psalm 122:6); and to actively promote spiritual unity among all believers based on biblical truth (Zechariah 8:20–23; John 4:22; Romans 9:1–5; 11:17–22). God's promise to bless those who bless Abraham's descendants is still in effect today (Genesis 12:1–3).

The IBAA distributes educational materials that disseminate biblical doctrine regarding Israel to guard against antisemitism within the church. We host prayer rallies for Israel and the persecuted church. We gladly invite partnership in prayer, outreach opportunities, and financial support.

God bless,

Igal German
